

- Meeting with the guide in front of your hotel in Taormina, at about 08:45 a.m.;
- With our bus, we will reach the northern side of Etna, in order to admire this magnificent volcano; Throughout the route, the guide will start explaining the genesis of the volcano up to the present day;
- You will board special 4x4 vehicles which will lead you up from 1850 m A.S.L. up to 2900 m A.S.L., at Piano delle Concazze, at the basis of the Summit Craters;
- From that point we will start a quite easy trek up to the Pizzi Deneri. During the way you will have the chance to admire the volcanological observatory, the spectacular Bove Valley, the Leone Valley and the majestic Summit Craters. The unique landscape will leave you breathless;
- With the same 4x4 vehicles, we will descend back to 2200 m A.S.L. to observe the suggestive Craters formed during the eruption of 2002/2003;
- At the end we will come back to the starting point, where we will have a short break;
- At the end of this, our bus will lead you to “Piedimonte Etneo” where Gambino Winery is located. There you will enjoy a wine tasting and lunch;
- End of tour and return to Taormina.
